## 520TVL Indoor/Outdoor Mini Bullet Camera

---

The ICR-149 is an affordable, compact varifocal, day/night camera. It is designed to be a discrete option for installations where conventional, full-size surveillance cameras are not desired. When the project dictates a small form factor coupled with high-resolution capability, this camera is the answer.

### Features

- 3.5mm-16mm varifocal lens
- 520TVL
- Sony SS-11X chipset
- IP66
- 12V

# ICR-149

## Specifications
